VALID UNTIL 31/10/2012

It is recommended that all crew be provided with safety training appropriate for the event category to be sailed. Sandringham Yacht Club requires a mandatory Man Overboard (MOB) exercise to be carried out with the crew, on the boat as entered, prior to the start of the racing season (and as new crew start racing with the boat).

The names of all the crew members who have completed the MOB exercise shall be listed on this register prior to the start of the racing season. The register shall be updated as new crew join the boat and take part in the exercise.

A copy of this register shall be retained on the boat and at SYC Boating office
