

sail training at **syc**

**Sandringham Yacht Club** offers sail training experiences, which are ideal for entertaining clients, staff team building, staff rewards or for those that just want to get out of the office and enjoy time on the bay. Participants have the opportunity to be hands on 'sailing a yacht'. The days we offer include:

### Sail training days

Sailing on our fleet of six identical first class 7.5m Beneteau yachts, our team building experiences are like no other. For groups of 8-30, participants are teamed up with a qualified skipper and are fully engaged in all aspects of sailing the boat. This is "hands on" sailing with a winning boat decided over a number of intense races.

This learn to sail format is ideal for staff team building. Complimenting the on water experience we provide the opportunity for you to 'brand' the day with clothing, banners and battle flags. Also included is morning or afternoon tea, registration and storage of valuables, six identical 7.5m Beneteau yachts, instructors (numbers subject to participant numbers), all day host, lunch/dinner, beer, wine and soft drink for duration of two hours and day membership.
